

TITANESS Tumbler series

TITANESS Bar series

instructions

▲Precautions for safe handling

- Use only for intended purpose.
- To avoid burns, be very careful with hot drinks.
- The product may be scratched or dented if dropped or hit strongly. This may lead to injury or poor insulation.
- To avoid burns and discoloration, do not place on heat sources.
- Do not heat in a microwave oven. This could damage the microwave oven or cause a fire.
- Do not clean with a dishwasher or dish-dryer. This may cause scratches or deformation. Handwashing is recommended.
- Do not leave contents inside for long periods. This may cause corrosion.
- Put on a stable surface.
- Do not modify or redesign.
- Stop using the product if you have an allergy to titanium.

- Keep out of reach of children.
- The ceramic texture of the surface is created by conditioning inside a vacuum furnace.
- When subjected to sudden temperature changes or high humidity, condensation may form on the surface.
- Changes in color may be caused by lipstick or fingerprints. Follow the instructions.

▲How to clean

- Wash the container with a soft sponge and neutral dishwashing detergent before first use.
- Wash the container thoroughly after use with a soft sponge and neutral dishwashing detergent.
- Wipe off any water and keep in a dry place.
- Do not use for boiling.
- To prevent scratches and discoloration, do not rub the surface with a metallic brush or abrasive cleanser.
- In case of tough stains, pour diluted chlorine bleach and leave for a few hours. To avoid discoloration, do not use oxygen bleach.
- To clean lipstick stains, use cleansing oil first, then wash thoroughly.
- Keep away from high temperatures and humidity.
